Tune-in to our weekly virtual gathering of the Choosing Wisely Canada community for interactive learning and discussions, engaging talks by leading speakers and more importantly, an opportunity to stay connected during these challenging times.

Join our next gathering **May 6** from **12–1 p.m. ET** on **Advance Care Planning and Goals of Care in the COVID-19 Pandemic** with Dr. Amit Arya, Lecturer, Division of Palliative Care, McMaster University and Assistant Clinical Professor, Division of Palliative Care, University of Toronto. Dr. Arya will present on the importance of discussing options, goals of care, and wishes about end-of-life care through advance care planning.

Bring your experiences and share insights with the Choosing Wisely Canada community on our gatherings every Wednesday from 12-1:00 p.m. ET.
